Finally, our summer intern is saying goodbye! It has been great having Katie around for the summer. Here are her parting words:

I've really enjoyed my time here at GIPL. It has been great working with you and helping to encourage Creation Care across our great state. I have learned a lot about Caring for Creation and about being an advocate for something I believe in. I will take these lessons that I've learned and put them in my ministry toolbox to be used as I continue on my path to ordained ministry. I hope to continue to be involved with GIPL in some way over the coming year. Blessings to you in your continued ministry to Care for God's Creation!

Here's to fall!

Peace & Light,

Alexis (Myers) Chase, Interim Executive Director

Katy Hinman, Regional Program Coordinator
